Kite Making Day in Class 3

Defibrillators in Schools

Humphry Davy School are organizing a Charity Fete on Sunday 16 June to raise funds for defibrillators in local schools. Raffle tickets available from Mrs B

Message from PC

Our local policeman, Kevin Youngman, very kindly keeps an eye on parking outside of school, to help us all to keep the children safe. Last week he observed 6 parents who stopped on the yellow zig zag lines. He has asked me to remind parents not to stop on these lines, and will issue prosecutions next time.

Recycle your stamps, help a charity

The RNIB are collecting used stamps to help raise much needed funds for children, please see flyer on the noticeboard for details.

Bags2School

Don't forget that next Monday, 17th June, is own clothes day in return for a bag of unwanted clothes, shoes bedding or curtains that will be recycled. Please ask friends, family and neighbours if they have any. As well as being sustainable, the PTFA makes a lot of money from this scheme. No duvets or pillows.

End of the Day

Just to remind parents that school finishes at 3.10 and the finish time for each club is on the clubs list. We would ask parents please to collect their children promptly, as staff cannot be responsible for your children beyond that time. Thank you to the majority of parents who do collect their child promptly.
