

Inspiring our Future

Following a hugely successful review of what Gwinear School stands for, we would like to introduce our new values statement.

The collaborative work between parents, staff, governors and children — (all combining ideas and enthusiasm) really has shown how together we are 'inspiring our future'.

Christmas Fayre

Thank you to everybody who made the Christmas Fayre such an enjoyable event—those who helped and also those who supported it. Everybody enjoyed the Christmas craft stalls, cakes, Let's Get Cooking soups and hearing the children singing and playing their instruments. The PTFA raised over £600 for school projects.

Tree Planting

Gwinear schoolchildren pulled on their wellington boots to help plant trees at Reawla play park.

The tree planting took place on 21 November and was part of a project organised by Gwinear-Gwithian Parish Council with the help of the Pen Tye Residents Association (PTRA), to make the Cornwall Council-owned park a better place for users.

ART BASE AT THE ST IVES WINTER FESTIVAL

Tate St Ives are offering a free workshop on 12 December in the courtyard 6pm—8pm drop in anytime. Engage in a series of exhibition-related investigative arts activities for families and grown ups alike.

CLIC SARGENT

At the end of our Christmas performances we shall be making a collection for Clic Sargent , who support children and young people with cancer. Please be as generous as you can and support with very worthwhile charity.

TREES=PAPER=TREES

The UK is 10,000 trees richer thanks to the 10 million Christmas cards recycled last year. This year we would like to send recycled cards to the Woodland Trust in January to help them to plant more trees in the coming year. The Woodland Trust donate trees and hedgerow plats to us each year, so this is our way of giving a little back. After Christmas, please can you put your used cards into the school Christmas card box which will be in the entrance.

TOUGH DOUGH

Lizzie & Alessandra are from the Tough Dough art group. They are running a series of projects bringing together businesses and communities across Cornwall. The aim is to develop artwork on the theme of Cornish food, produce and celebration to be exhibited in three towns across the County, one of which is currently taking place in Hayle, Cornwall. So class 1 and class 3 worked on developing a collaborative art piece in celebration of food. Our inspiration came from the visitors from Heather Lane Nursery who producing organic herbs, exotic salad leaves, edible flowers, and baby vegetables. Poly tunnels, seed bags, flower pots and vegetables all made this a most enjoyable art day for both classes!
