

## Gwinear celebrates Harvest around the world!

Last year we celebrated a Cornish Harvest. We looked closely at the harvest of the land, sea and air. Our friends from Eden, Trevaskis and Camp Kernow helped us discover more about what is harvested on our very doorstep...

So this year we have decided to look at harvest globally, to travel around the world! So, how are special Harvest days celebrated throughout the world? Every culture has its own special traditions and reasons for celebrating. Next Monday our children will learn how holidays and festivals are celebrated all over the globe, exploring some of their traditions and creating special crafts based on what they have discovered!

## Minack Theatre Workshops

On Thursday the year 5 children were lucky to take part in a theatre workshop at the Minack. The weather held up and we were able to work outside with the stormy sea as our backdrop, with the wind howling and the black clouds rushing past, the children explored every nook and cranny.

We learnt how the cast gets around and all about different areas of the stage.

Then it was time for the serious part; their very own plays. One half did the Three Little Pigs whilst the others worked on Jack and the Beanstalk, then the great performances in front of an audience of visitors. We can truly say the children had an amazing experience and all really enjoyed the day.

## Let's Get Cooking Club Assembly

On Wednesday the Let's Get Cooking Club had a very busy afternoon getting ready for their assembly. We peeled, chopped, cut, mixed, kneaded and used a variety of useful skills that we have learnt to prepare delicious soup, leek and potato and parsnip and apple, which we served to family and friends at the end of assembly with soda bread. The children talked about their experiences at Let's Get Cooking Club and the meals they have prepared for their families.
