

Explorer-Dome

An educational visit by Year 6 to Camborne Science and International Academy led to some amazing looks and gasps of wonderment and awe!

'We had a show of science magic! We played around with liquid nitrogen. A bowl could only fit one blown up balloon in it, but when you added liquid nitrogen the air inside turned to liquid and then 8 balloons fitted in the bowl!'

Eve Williams

Big Build

As a part of our 'Big Build' topic, Class 1 have recently been on a curriculum visit to a building site, exploring building equipment, watching some building take place and talking to professional builders.

This visit, has been the topic of conversation between the children, including: "The disc-cutter was really noisy, so I

had to cover my ears!" "I liked the brick cutter, it cut bricks in half, so we had two pieces" and

"Wow, a digger and a real dumper truck." The children are now eager to talk about their new knowledge, even on the way to swimming when we see JCBs driving past.

Experience Harvest Workshop

'Experience Harvest' took the children on a journey to discover more about how the natural world provides rich harvests for everyone to enjoy. The workshop consisted of a number of stations looking at different areas of Harvest: Harvest of the

Flock, Harvest of the Grain, Harvest of the Earth, Harvest of the Ocean, Harvest of the Garden and Harvest Thanksgiving – each of these areas are then linked to the following values – patience, peace, faithfulness, humility, joy, and generosity. A huge thank you must go out to our friends at the chapel who were warm and welcoming, sharing a great experience with the class.

Bags2School

Bags2Schools is a PTFA fundraiser. We receive 40p per kilo. You raised £185.00 last time. Please fill your bag with clean reusable clothing, bags, shoes, soft toys (they no longer accept bedding, towels, curtains). Please send your bags into school in exchange for your child wearing their own clothes on Friday 10th October. Our collection day is Monday 13th Oct. Thank you for supporting this on-going fundraiser and help us boost the amount by asking family friends and neighbours if they would like to have a clear out as well. Any type of bag is accepted although Mrs B has a few spare. Any queries ask Angie, Class 4 TA.

Praze Hayle Male Choir

A concert in aid of CLIC Sargent fund will take place on Sunday 12 October at St Anta and All Saints Church, Carbis Bay at 7.30pm, entry is free—donations to CLIC

Start of the School Day

Children may arrive in the playground from 8.45am, when there will be a member of staff on duty. They must not be in the playground before then. If you would like your child to attend Active Early Birds, this runs from 8.15am and has a cost of £1 a day. This might suit parents who need to leave their child at school but is also for children who would enjoy active multiskills sports.

West Briton—Reception photographs

This weeks edition of the West Briton will have a photographs of all the new reception classes.

Let's Get Cooking Assembly

Please join us for the Let's Get Cooking Assembly and Tasting Session on Wednesday 15 October. The children from the Let's Get Cooking Club will be making some delicious food for you to try.

Coats

Now that the weather has become autumnal, could we ask that all children bring in a coat for break and lunchtime and also in case the children go outside throughout the day.

Family Learning—Keeping up with your Children—Maths

So you can learn more about how to support your child's learning and how to help with homework, Family Learning are offering the opportunity for you to become involved in 5 weekly sessions of 'Keeping up with your Children—Maths'. The sessions begin on Wednesday 5 November and will start at 9.00am, with a finish time of 11.00am. Please see the separate flyer sent home today.
