Dear Sir/Madam,

RE: A30 Trevarnon Lane to Roseworthy east and westbound carriageway closures

Kier are working on behalf of Highways England to manage and maintain the A30 and A38 in Devon and Cornwall and I am writing to let you know that we will shortly be carrying out roadworks in your area.

<p>These works </p> <p>The existing road surface in this area is nearing the end of it's serviceable life. We therefore need to close this stretch of road in order to carry out patch repairs and road marking reinstatement where necessary.</p>	<p>When? </p> <p>Start date: evening of 6 March 2017 End date: morning of 11 March 2017 Eastbound and westbound carriageway closures: 19.30 to 6.00 week nights only</p> <p><i>*Please be aware these works are subject to change due to weather conditions or unforeseen circumstances.</i></p>
<p>Road Closure </p> <p>In order to carry out these works safely and efficiently we will need to close the carriageway overnight both eastbound and westbound.</p>	<p>Diversions </p> <p>A fully signed diversion will be in place. Traffic will be diverted between the Treswithian Junction and Loggans Moor roundabout.</p>

These works will inevitably cause some rolling noise and floodlight disturbance. We will endeavor to finish all noisy works close to residential areas by 11pm.
