Dear Occupier

Gwinear Gwithian Parish Housing Need Survey

An online Housing Need Survey is being conducted as the Gwinear Gwithian Neighbourhood Development Plan requires the completion of a survey to help inform the level of affordable housing need when considering planning applications within the Parish.

Please note that the Council's administration of this survey does not in any way indicate a formal view on any planning application within the Parish by the Council as local planning authority.

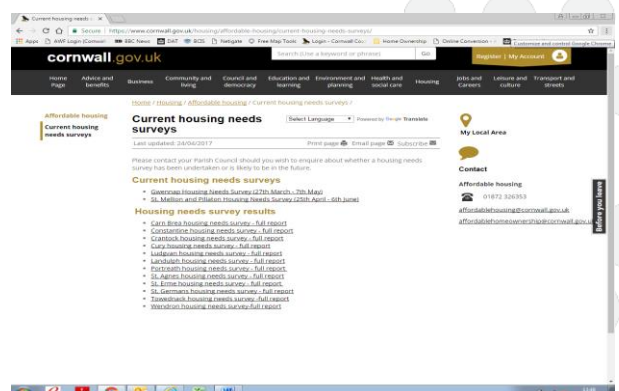

You are receiving this notification letter because you currently live within the parish. However if you know anyone else with a local connection to the parish but who currently lives elsewhere and has a need for an affordable home in the parish, please pass on the access directions to the on-line survey below.

Although we need to collect as much information about housing circumstances as we can, we have tried to keep the survey as short as possible. We would be grateful if you would take a few minutes to complete the on-line survey which is available for you to complete on Cornwall Council's website by visiting:

cornwall.gov.uk/housingneedsurvey

How to access the survey using a search engine e.g. Google:

Alternatively you can search for the on-line housing need survey by entering 'Cornwall Council Housing Needs Survey' into the search bar - this will take you to the 'Current housing need surveys' page (see below) where you will find your local survey in the list:

Cornwall Council | Konsel Kernow
Pydar House, Pydar Street, Truro, Cornwall TR1 1XU
E: affordablehousing@cornwall.gov.uk | **T:** 01872 32 6353
www.cornwall.gov.uk

The survey will be open from Wednesday 12th June for 6 weeks. Even if you or a member of your household is already registered with *Homechoice* or *Help to Buy*, please participate in the survey, as your housing needs will not otherwise be included.

If you would like some assistance in completing the on-line survey, prefer to complete a paper copy or have any questions, please contact the Affordable Housing Team on 01872 326353 or email affordablehousing@cornwall.gov.uk

The closing date for completion of the survey is 24th July 2019

Following the closing date a report will be produced (containing no personal information) summarising the results which will be publicly available on the Council's website.

Thank you in advance for participating.

Please note that your personal details will not be discussed or shared with anyone else.

Yours sincerely
